

#### Tools | [Circle Bluetooth® Card Access Tool on App Store \(Apple\)](#)

AB Circle is pleased to release our latest application, the Circle BT Card Access Tool, on the App Store, which is used with Circle's Bluetooth readers, e.g. [CIR415A](#).

The Circle Bluetooth Card Access Tool is designed to easily obtain reader and card information from a connected Bluetooth reader and the smart card. Our app also enhances the experience of command exchange between the card and the reader.

You can download the Circle Bluetooth Card Access Tool for free from the App Store
