Circle Connect ~ Apr.2024

Exhibition | 33rd Japan IT Week 2024 (Spring)

AB Circle will be exhibiting at the 33rd Japan IT Week 2024 Spring from 24th to 26th April 2024 at Tokyo Big Sight. As a leading innovator in the IoT industry, we invite visitors to explore our booth at 36-18 to discover our latest products and solutions for Japan's electronic vehicle inspection certificate, online verifications for Japanese insurance entitlement, and various other applications.

AI Assistant | New ChatPlus Feature on AB Circle's Japan Website

Starting in January 2024, visitors to our Japanese website have access to real-time support and assistance through the chatbot feature. Our dedicated team is available to provide immediate response for any inquiries about our products or to those who simply want to connect with us.

This enhancement aims to improve the overall user experience and ensure that our customers have a seamless and convenient way to interact with us. We believe that this new feature will make it easier for our Japanese customers to receive the help and support they need.
